

# Kings Manor Hotel - Conference Room Details

With our Lothian Suite and smaller Treetops Room, the Kings Manor is well placed to host your event.

The flexibility of the Lothian Suite will impress you and the feeling of space that exudes from Treetops really shouts out for you to visit and see our facilities for yourself.

## Room Dimensions

# Lothian Suite

Our largest room, equipped with built in projector, screen and PA system. The suite is fully air-conditioned with a useful lounge area for registration or coffee breaks; the adjoining Rosemount Room can be used for breakout room or conference office.

- Fully adjustable LED and low energy lighting, fully dimmable.
- Full blackout curtains.
- 15 x 13-amp sockets.
- Access – level from Hotel Lobby minimum door space 4 foot by 6'6".
- WiFi Internet. Dedicated conference router. Hard wired connection available. 60mb download.
- Windows (triple glazed) on 2 walls.

## Floor Plan

# Treetops

An exceptionally light and airy room with large windows on two ends, Treetops is situated on the first floor above Lauders Restaurant, accessible by a leisurely staircase from reception or a short elevator journey.

- Built in 6 foot projector screen. Floor sockets for projector.
- Low energy lighting, fully controllable in room, full blackout curtains.
- 3 x 13-amp sockets.
- Internet. Dedicated Conference router. Hard wired connection available. 60mb download.
- Minimum door size 2'8" by 6'6".

## Floor Plan

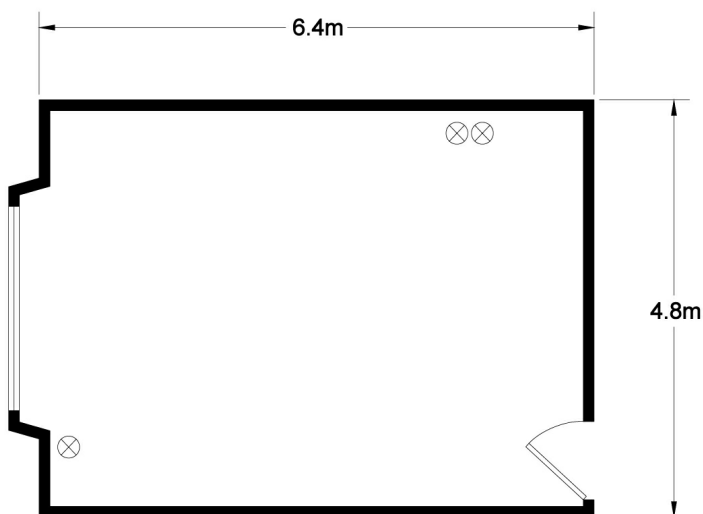

# Rosemount

Rosemount is in close proximity to the Lothian Suite and can suffer from extraneous noise if we have a large booking in Lothian. So we choose not to let the Rosemount if we have such a booking. The room itself is just off reception and is extremely popular with small meetings and interviews

- Built in 5 foot projector screen.
- 2 wall sockets.
- Low energy lighting, fully controllable in room, full blackout curtains.
- Internet. Dedicated Conference router. Hard wired connection available. 60mb download.
- Minimum door size 2'10" by 6'6".

Floor Plan

## Scott Room

The Scott Room is a very handy breakout or interview room adjacent to reception. Small meetings and interviews regularly use this room. It has no natural daylight but full air-conditioning allows a fresh comfortable environment. Its proximity to our Lauders Restaurant means that we, on occasion, do not let this room in case there is background noise from the restaurant.

- Built in 5 foot projector screen.
- 3 wall sockets.
- Low energy lighting, fully controllable in room, full blackout curtains.
- Internet. Dedicated Conference router. Hard wired connection available. 60mb download.
- Minimum door size 2'10" by 6'6".
- Air conditioning.
